CELEBRATION
BANNERS

Every year we remember how God kept His promise to send us a Redeemer as we celebrate the season of Advent. "Advent" means "the coming," and refers to the four-week season of preparation for the coming of Jesus on Christmas Day. During Advent we also look forward to the return of Jesus in glory. Advent begins on the Sunday nearest November 30 and continues until December 24. God made a promise, He prepared His people for the promise and He kept His promise. God is faithful.

Baptism Candles

Jesus commanded His apostles to make disciples of all nations, “baptizing them in the name of the Father, and of the Son, and of the Holy Spirit” (Matthew 28:19). Baptism candles are appropriate for all Baptism celebrations as they symbolize Christ, the Light of the World, the light that darkness cannot overcome.

Brite-Lite Voticandles®

Brite-Lite Voticandles® are an environmentally conscientious and economical alternative to traditional votives. Carefully blended paraffin and palm wax allow for a longer, smoke-free burn. The PC (polycarbonate) plastic candleholder is a more earth-friendly alternative to the PVC (polyvinyl chloride) plastics found in competitors' products. These candles are lightweight, unbreakable, shatter-resistant and safety tested to withstand more heat. The combination of durability, safety and environmentally responsible benefits assures the fine quality you have come to expect from Will & Baumer®. All Brite-Lite Voticandles® are recommended to burn in a votive glass container or other appropriate votive container for better performance and safety.

Family Prayer Candles

Pope Benedict XVI wrote, "The most authentic and profound vocation of the family is that of accompanying all its members on the journey to the discovery of God and of the design He has laid down for them." The Lord calls us to pray together, for only in prayer can we come to know God and His dreams for us.

We encourage you to have these lovely prayer candles blessed and then light them during times of family prayer. They can be a great help in beginning family prayer times as well. As Father Patrick Peyton said, "The family that prays together, stays together!" Amen!

BAPTISMAL SHELLS & BOWLS

For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. For in one Spirit we were all baptized into one body—Jews or Greeks, slaves or free—and all were made to drink of one Spirit.

– Corinthians 12:12–13

Standard Sizing: Qwick-Ship sizes fit "average" body types with non-exceptional body proportions. Order by size or item number using the appropriate item specific size chart on pages 258-261.

How to Measure: Take measurements over clothing you normally wear during worship services. The diagrams above may help you take accurate measurements. If you need further assistance with measuring, please contact your local Murphy representative. Select the size that most closely matches your measurements and order by style, color and size code/sizing.

Chest: With arms relaxed, measure around the fullest part of the chest, under the arms and across shoulder blades. The tape should be snug but not tight. Keep tape parallel to the floor.

Sleeve: If you know your exact shirt sleeve length, use this size. To measure, bend elbow and measure from center of back at base of neck, over the shoulder, and around the elbow to the wrist bone, with lower arm parallel to the floor.

Back Length: Fasten a measuring chart or tape to the wall and stand straight against the wall chart, with "Sunday" shoes on and heels against the wall. The back of the head should touch the chart. Have someone place a ruler at the base of neck, parallel to the floor. Your total height in shoes should be used as your back length measurement.

Band Cinctures: Measure around the stomach where the cincture will be worn, over "Sunday" street clothing, including a belt. Add 4" to this measurement. Use this total measurement to determine band cincture size.

Pricing: All prices subject to change without notice.

Deposit/Payment: A minimum of one-half (50%) deposit, or terms as assigned, is to accompany your order. No changes or cancellations on custom-made robes will be allowed after garments have been cut.

Shipping: Unit prices do not include the cost of shipping. Shipping costs will be added to your invoice. Seasonal demands may affect the delivery time of your order. Please allow a minimum of 6 weeks on Custom and 3 weeks on Qwick-ship after factory receipt of your complete order for manufacturing.

Taxes: We are required to bill for all applicable taxes in your state unless you provide proof of tax exemption with your order.

Order Acknowledgment: Once an order is received, an Order In Process Acknowledgment will be sent to you which includes your order number. Refer to this order number should you need to call for questions or concerns. Once your order and measurements are processed, a Detailed Acknowledgment will be sent to you. Please check your copy carefully and notify us immediately if there are any errors. Your order is custom-made and we cannot authorize any changes, cancellations or refunds after factory production has started.

Please inspect your order carefully upon receipt. You must notify us of any problems within 30 days of receipt of your order.
