Crossroads' New Scented Hand Soaps & Lotions

Our super-hydrating Scented Hand Soap and Lotion are now available in six popular fragrances:

Avocado & Sea Salt, Buttered Maple Syrup®, Fresh Apple, Lemongrass & Lavender, Southern Charm and Spiced Georgia Peach.

Our Scented Hand Soap gently cleanses your skin without drying, utilizing a carefully blended ratio of surfactants and moisturizer. Infused with glycerin, your skin gradually improves its smoothness and suppleness, and it is gentle enough for those with sensitive skin.

Our Scented Lotions are crafted with moisturizers and anti-oxidants, including Aloe Vera, Vitamin E, and Olive Oil to effectively retain moisture and help soothe damaged, dry skin. Our lotions soften your skin and gives skin an enduring glow.
